EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to an applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The following changes have been made in a subject of the application to place the claims in a condition for allowance:

Specification

In the specification at page 1, “ (our Docket No. 86978RAF) “ should be changed to --10/659,576--.

Drawings

Applicant should be submitted new drawings (i.e., Figures 1-5) with a same size of words and numbers. Correction is required.

Claim

In claim 1:

- line 8, “on” should be changed to --in--.

The above change was made to place the application in better condition for allowance.

REASONS FOR ALLOWANCE

The following is an Examiner's Statement of Reasons for Allowance:

Art Unit: 2861

Claims 1-7 are allowed because none of the prior art references of record teaches an ink jet printer apparatus comprising a stall for receiving a print cartridge in a substantially horizontal direction so that an ink conduit needle mounted on the top cover lid is horizontally inserted through said septum and a cover door movable closed to cover the print cartridge when the print cartridge is received in said stall, and adapted to secure the print cartridge in place within said stall to ensure that the ink conduit needle cannot be dislodged a septum in the combination as claimed.

Citation of Pertinent Prior Art

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The prior art reference (US Pat. 5,250,957; US Pat. 5,980,032; US Pat. 6,364,458; US Pat. 6,481,829; US Pat. 6,550,894; US 2002/0118262) cited in the PTO 892 form show an ink jet printer that is deemed to be relevant to the present invention. This reference should be reviewed.

CONCLUSION

Any comments considered necessarily by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
